New Pupils Entering the Southern Business College Every Week.

Among the latest enrollments at the Southern Business College are: Mrs. Mattie Poole, of this city, who enters the stenographic department, and Mr. Archie Marable, of Genoa, who will enter the commercial department. Prof. Stanford reports this college in the best condition, and the indication is a very large increase during the coming year. Many inquiries, by mail and by letter, are made

concerning terms, boarding arrangements, etc., all of which the college gives prompt attention. Graduates have no trouble in finding lucrative positions right here in Live Oak, which indicates not only the popularity of the institution, but the commercial growth of the city.

The management announces that new classes in stenography and typewriting will be organized next Monday, and invites all young people interested in mastering this "winged art" to apply at the office at once.

Terms are reasonable and within reach of every one.
